presents the BLAZER

REDFORD HIGH SCHOOL — DETROIT, MICHIGAN

Homer A. Clark

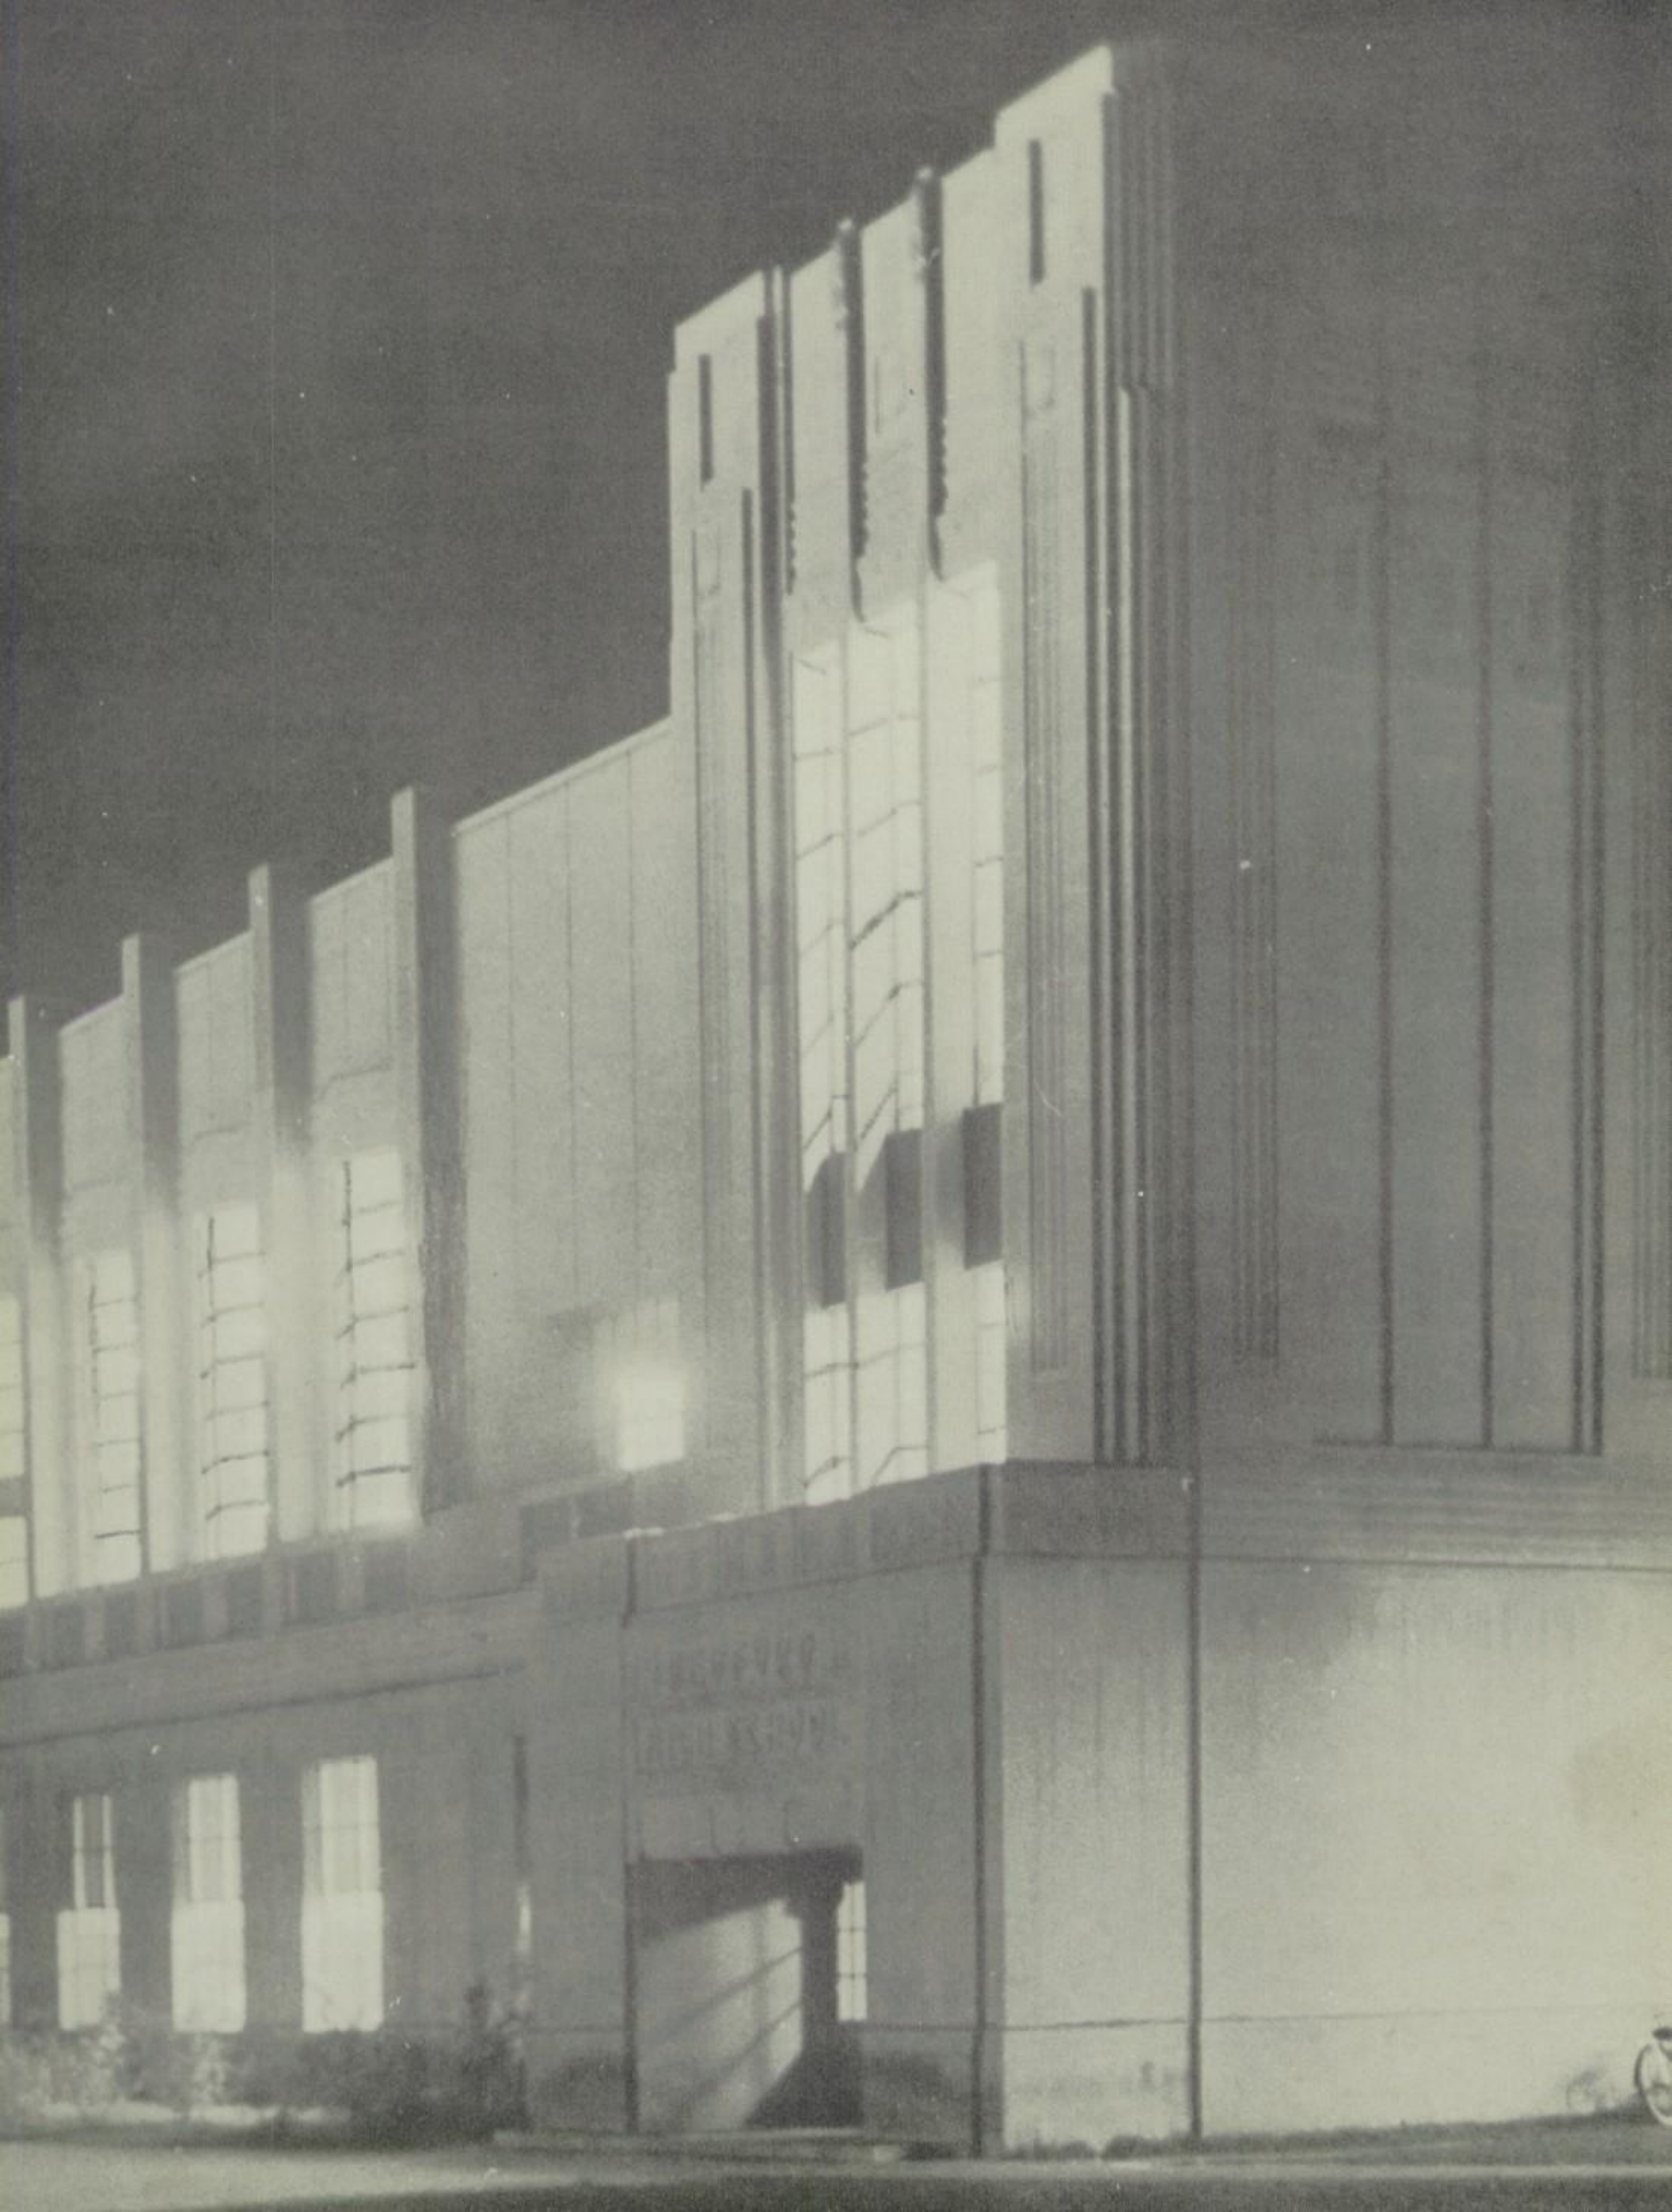

Principal

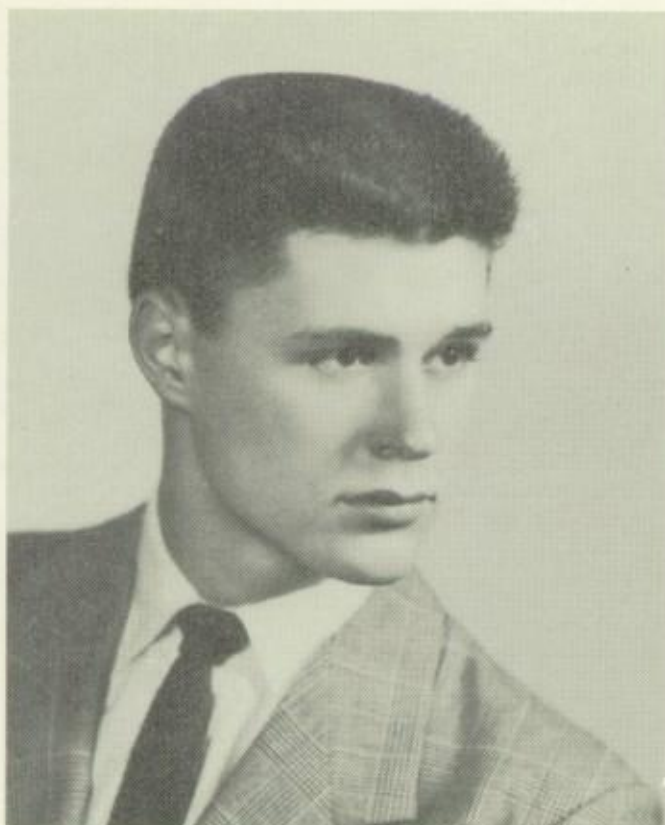

Dear Seniors:

Within a few days you will be leaving Redford. We, who have had a share in imparting the education you have acquired while here at Redford, and the molding of character that accompanied it, bid you farewell. We do so with mingled feelings. Yours is that priceless age in life when you are old enough to begin to think as an adult, but are not yet old enough to have lost that precious idealism of youth. We all hope for you that the imprint of Redford will serve to steady you as you go down the road to whatever future there is in store for you. As more and more responsibilities settle on your shoulders, there will come times when you might be led into feelings of futility, insecurity, and despondency. We sincerely hope that, in those moments, you will be steadied to see that in the home, it is neither poverty nor wealth that counts, but the assumption of responsibility. In school it is not fine books, varied curriculum, or abundance of apparatus, that counts, but inspiration and hard work. In the world, it is not too good a start, but opportunity and struggle that counts. Wherever the future beckons, you carry our best wishes for success and happiness.

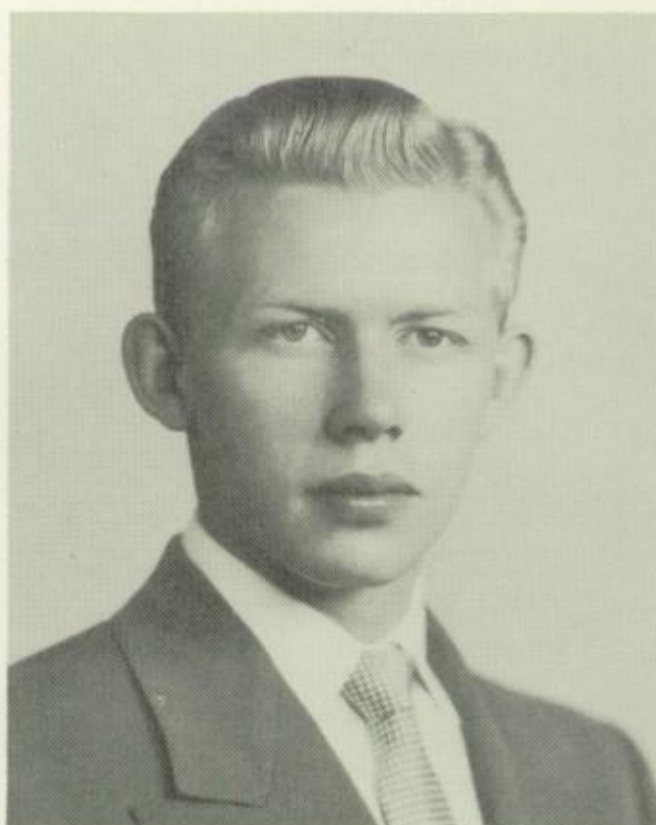

Sincerely your friend,

Homer A. Clark

Although our Huskie team suffered a losing season, by winning three and losing four, the number of games won and lost does not reflect the determination and ability of the players on the squad. The team had many outstanding individuals. George Smith's resourcefulness at quarterback and Dick Irvine's booming punting were examples of this.

In their opening game, Redford lost a heart-breaker to the U of D Cubs, 26-20. The Huskies' attack was hindered by fumbles and many mistakes. Each man played his heart out, but the Cubs proved too strong for our relatively inexperienced team.

In the second game, the Redford team bounced back, defeating the Western Cowboys 13-7 with a winning touchdown in the final minutes of the last quarter.

Then came Miller; and, in a hard fought battle between both teams, the Huskies managed to squeeze out on top of an 8-6 decision. It was a grueling game, but the hard charging defensive line play of the Redford team produced a safety that was good for two points and the game.

Redford met Chadsey next and lost by a 7-6 margin. The game winning point was scored by

quick thinking on the part of the Chadsey kicker. The pitch from center for the extra point after touchdown was bad, but when he saw the whole Redford line charging him, he made a neatly executed run around his left end to score the winning point.

Next, Redford met Mackenzie under the lights of Wyoming field for the fifth game of the season. Again, the team lost by a 7-6 score.

Then came the traditional rivals, the Cooley Cardinals. The Huskie team fired up from its two previous defeats, pounded out a 12-0 victory over its hard-fighting, but outclassed rival.

To close the season with a winning record, the Huskie team needed a victory over its last opponent, Central. The game was played on a cold, windy day during the first snowfall of the year. The Central team proved too much for the Redford team to handle and gave the Huskies a 26-13 licking.

The Huskie team must be given credit, however, because it scored only one point less than its opponents. Redford 78, to its opponents 79. The team is also distinguished since it beat Western, the Metro League Champions, in its scheduled season game, 13-7.

The Husky Tankers, this year, fought their way into a three-way tie for the West Side Championship. In the past four years, they have either shared the title, or held it outright.

In their first meet, the Husky swimmers met their traditional rivals, the Cooley Cardinals. The Red and Gray came out on top, 59 to 32, to chalk up their first win of the new season.

The Western Prospectors proved too strong for the Huskies, winning, 51 to 40. It was a hard fought battle, with Western taking the last two events to win the meet.

Then Central gave the Redford squad an opportunity to prove their fighting spirit by overpowering them 50 to 41.

The next three opponents, Chadsey, Southwestern, and Northwestern never had a chance, as the Huskies rolled over them, 65 to 26, 72 to 19, and 67 to 24, respectively.

This produced for the Redford swimming team, a record of six wins and one loss for the season, which threw them into a three-way tie for the West Side Championship with Western and Mackenzie.

SENIOR PLAY

On the nights of November 1 and 2, the audience in the Redford High School auditorium saw a hilarious play presented by the class of January, 1952.

The play was appropriately entitled "The Patsy", for it revealed the hardships of a younger daughter. Patricia was the patsy of the Harrington family. Grace, the older sister, seemed to be able to do anything she pleased. Mrs. Harrington favored Grace since they were two of a kind—always nagging about something. Mr. Harrington was a good fellow and always gave his affection to Patricia. However, Patricia did get into some odd situations. If she wasn't worrying over Mr. O'Flaherty and the silver cup, she was trying to get Tony Anderson, Grace's ex-boyfriend, to fall in love with her. Grace, at the same time, was giving her love to the wealthy Billy Caldwell, a better catch in the eyes of her and Mrs. Harrington.

Between the involved situations and the humorous love affairs, the play came through as a great success under the able direction of Mrs. Joyce Trotter and the student director, Doris Dickinson.

"What business is it of yours where we want to go?"

... AND TELEPHONES

What have telephones to do with caps and gowns?

That's a question you didn't find in your final examinations. But Michigan Bell has the answer, and it's one that could be mighty important to you. Michigan Bell's business is telephone service. And graduates from high schools like yours are the kind of young women the telephone company likes to have as employees.

Because the telephone is so important in the modern world, Michigan Bell girls find a real thrill in their jobs. They receive excellent pay, too, right from the start . . . have good opportunities for advancement . . . make congenial friends . . . enjoy vacations with pay and other advantages.

So if you're graduating this month, and looking for that kind of a job, Michigan Bell may have one for you—an important job as cashier, teller, switchboard operator, clerk or typist. Why not drop in now at our employment office, 1365 Cass Avenue, Detroit, for an interview?
